Hi, Stretch here,  
your TradeUnipoint  
Travel Guru!

After a few years of back packing around the world, I have decided to settle down in Good 'ol SA. It's so often said there is no place like home, and well I couldn't agree more. So from now on I will be telling you all about the places I've been, want to go to and what I've done while I am there.

With so many stunning destinations within our very own country, you're sure to hear from me often. In order for me to keep you in the loop, please either send me a list of your **FACEBOOK & TWITTER** profile names, so that I can keep you updated with all the latest news, or send me a friend request. You'll find me on **Stretch Unipoint** or follow me on **Twitter @ StretchOnTheGo**
