**How does UniPoint work?
Y-Factor Extension**

Y-Factor intervals can now be extended for 3,6,9 or 12 months to ensure you make the most of them.

Your Y-Factors are valid for 12 months, upon request of extension on your Y-Factors you will be supplied with a detailed invoice on Y-Factors that are extended and the amount owed. Upon receipt of payment the Y-factors will be scheduled for extension.

Example: Y-Factors valid from 1 Feb 2011 - 1 Feb 2012, extension requested and paid in December 2011 - Extension will only take effect 2 February 2012.

The extension will not be on all your Y-Factors but per interval as per deposited accommodation. Extensions can be done any time prior to expiry date. Extension will only take effect on original expiry date. Please contact the UniPoint office on 087 805 2500 for assistance.
